1. Introduction

This Cookie Policy explains how [Ednaimo Operator] ("we," "us," or "our") uses cookies on the Ednaimo (Education for Juniors) platform ("Platform"), an AI-powered adaptive learning platform for Nigerian children ages 5-10.

We are committed to protecting the privacy of our young users and their families. Our Platform uses **only essential cookies** required for the Platform to function. We do not use tracking cookies, analytics cookies, or advertising cookies.

2. What Are Cookies?

Cookies are small text files stored on your device by your web browser when you visit a website. They allow the website to recognise your device and maintain information about your session.

3. Cookies We Use

We use only strictly necessary cookies. These cookies are essential for the Platform to operate and cannot be disabled.

Cookie Name	Purpose	Duration	Type
__session	Firebase Authentication session token. Authenticates the logged-in user and maintains the active session so users do not need to log in on every page.	Session (cleared when the browser is closed) or up to 14 days if "Remember Me" is selected	Strictly Necessary (First-Party)
__firebase_auth	Supports Firebase Authentication token refresh and session continuity.	Session	Strictly Necessary (First-Party)

These cookies do not collect personal information beyond what is necessary to authenticate the user and maintain their session.

4. Cookies We Do Not Use

We want to be clear about what we do **not** do:

- **No analytics cookies.** We do not use Google Analytics, Mixpanel, or any similar service.
- **No advertising cookies.** We do not serve ads or use advertising tracking pixels.
- **No third-party tracking cookies.** We do not allow any third party to place tracking cookies through our Platform.

- **No behavioural profiling.** We do not build advertising or behavioural profiles of our users.

5. Consent Banner

Because the Ednaimo Platform uses only strictly necessary cookies that are essential for the Platform to function, no cookie consent banner is required under the Nigeria Data Protection Regulation (NDPR), the EU ePrivacy Directive, or similar frameworks. Strictly necessary cookies are exempt from consent requirements.
